Sep 2013 - Jun 2015
Cork

Experience

Child & Family Agency
CHILD PROTECTION & WELFARE SOCIAL WORKER

Apr 2016 - Present
Waterford - Kerry - Dublin

- Regularly acted as Team Leader, providing guidance to colleagues and making decisions regarding complex cases or emergency situations.

- Took on the additional role of Practice Leader within my team, which involved designing and facilitating group learning sessions, focusing on problem solving for particularly complex cases.

- Spearheaded several initiatives aimed at improving the function and delivery of the service, including an automated caseload management recording tool, a statutory home visit tracker and redesigned standard forms focused on accessibility for colleagues and service users.

Skills

Languages:	HTML, CSS, JavaScript, Python
Tools:	Sass, Tailwind, Flask, Vue, Git, Linux / Command Line
Other / Soft Skills:	UI & Accessibility, creative problem solving, independent learning, managing high intensity caseloads
